**WE HAVE COME A LONG
WAY AND STILL ROLLING.
HOW ABOUT TO JOIN US?**

WHO WE ARE?

RAVERUS is a customer-driven and product-oriented software company. We develop and provide software applications designed to improve and automate everyday business processes.

As we always take a pragmatic approach to technology, we provide flexible, scalable, integrated solutions to customers who can choose our solutions to handle just one aspect of their business software needs or all of them.

IBAN: HR5724840081103833812

THE DIFFERENCE WE MAKE GOES EVEN BEYOND THE PRODUCTS WE PROVIDE.

Our customer support is well proven with our customers spread across five continents. Our client base is highly diverse, in terms of industry sectors, geographical locations and sizes. There are large, global companies but also small businesses and entrepreneurs. Even though our clients are very diverse, they all have one thing in common: they all want to become more efficient in what they do.

RAVERUS VS. SECTOR

REVENUES AND GROSS PROFIT

CREDIT RATING AND CERTIFICATES

Our Managing Director, Sanela Rasinec, is an affiliate member of the International Compliance Association (ICA) that is a leading global association in anti-money laundering. By holding Advanced Certificate in Practical Customer Due Diligence, issued by ICA and The University of Manchester - Alliance Manchester Business School, our expertise demonstrates a commitment to the highest standards of practices and conducts in anti-money laundering.

By combining our EU GDPR Practitioner certification from International Board for IT Governance Qualification and our vast knowledge in system security and IT security in general, we profiled ourselves as a reliable and competent partner for our clients in implementing highest standards in personal data protection, security architecture and defining best practice procedures.
